

Robert Mills

Company: Robert Mills Architects and Interior Designers, Prahran, Australia. Specialising in award winning finely crafted sustainable buildings and interiors intended to serve generations. Recent work includes beach houses in Lorne and Sorrento plus a private house in Verdant Avenue, Melbourne. Current projects include private houses around Melbourne's premier inner city and coastal areas. Robert Mills Architects believe that good contemporary residential design in Australia should be 'sophisticated yet relaxed, featuring natural textured materials with furniture, rugs, artwork and objects that complement the architecture whilst expressing the owner's personality.'
